## WELCOME TO THE SOUTH CAROLINA RETINA INSTITUTE

Our goal is to provide quality care and exceptional service while making your experience as efficient and pleasant as possible. We strive to deliver to you excellence through state of the art medical and surgical care.

### PHYSICIANS

Nicholas Marchase, MD is a Retina Specialist who concentrates on the treatment and surgery of diseases and disorders affecting the back of the eye. This includes diabetic eye disease, macular degeneration, retinal detachment, floaters, and trauma to the eye.

### APPOINTMENT INFORMATION

Please plan to be here for 1.5-2 hours, depending on the extent of your examination and any additional tests, studies, or procedures that may be required. Your initial appointment will be longer than any subsequent visits.

### PLEASE BRING WITH YOU TO APPOINTMENT

- List of Medications and Medical History
- Insurance Card
- Identification Card
- ALL EYE DROPS

### FINANCIAL INFORMATION

**Self-Pay:** If you are not covered by medical insurance, you will be expected to pay-in-full at the time of service.

**Medicare:** We accept assignment on Medicare. If you are a Medicare beneficiary and do not have secondary coverage, you will be responsible for payment of 20% of the Medicare allowed amount unless you have supplementary insurance.

**Copays:** You are required to pay your insurance copay at the time of service. The copay amount is usually noted on your insurance card or can be found in your insurance handbook.
